4.2 ENROLMENT AND ORIENTATION POLICY

Mandatory – Quality Area 6

PURPOSE
This policy outlines:
the criteria for enrolment at TRY Children’s Services
the process to be followed when enrolling a child at TRY Children’s Services
the basis on which places within the programs will be allocated
procedures for the orientation of new families and children into TRY Children’s Services
processes to ensure compliance with legislative and DET funding requirements in relation to the
enrolment of children in early childhood education and care services.

POLICY STATEMENT

1. VALUES
TRY Children’s Services is committed to:
equal access for all eligible children
meeting the needs of the local community
supporting families to meet the requirements for enrolment through the provision of information
maintaining confidentiality in relation to all information provided for enrolment
ensuring all families are welcomed and receive an effective orientation into the service.

2. SCOPE
This policy applies to the Approved Provider, Nominated Supervisor, early childhood teachers,
educators, staff and parents/guardians who wish to enrol or have already enrolled their child at TRY
Children’s Services.

3. BACKGROUND AND LEGISLATION
Background
The Education and Care Services National Regulations 2011 require approved services to have a
policy and procedures in place in relation to enrolment and orientation (Regulation 168(2)(k)).

It is intended that all eligible children (refer to Definitions) will have access to one year of kindergarten
before commencing school. However, a shortage of places in some areas can limit choices for
parents/guardians. Where demand is higher than availability, a priority system for access must be
determined by the Approved Provider in order to allocate the available places. The criteria used to
determine the allocation of places will vary from service to service, but is generally based on a
service’s philosophy, values and beliefs, and the provisions of the Equal Opportunity Act 2012. The
Victorian Government requires funded organisations to ensure that their policies and procedures
promote equal opportunity for all children. Criteria for access and inclusion are outlined in The
Kindergarten Guide (refer to Sources). Services participating in central enrolment schemes are
required to comply with the enrolment procedures of that scheme.

Childcare services providing approved care (refer to Definitions) must abide by the Family Assistance
Legislation Amendment (Child Care Rebate) Act 2011 (refer to Legislation and standards) and the
Commonwealth Government’s Priority for allocating places in child care services (refer to Sources).

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early
childhood education and care services which are regulated under the Education and Care Services
National Law Act 2010 have legislative responsibilities under the Public Health and Wellbeing Act
2008 (Vic), as amended May 2016 to only offer a confirmed place in their programs to children with acceptable immunisation documentation (refer to Definitions).

**Legislation and standards**

Relevant legislation and standards include but are not limited to:

- *Children, Youth and Families Act 2005 (Vic)*, as amended January 2017
- *Education and Care Services National Law Act 2010*
- *Education and Care Services National Regulations 2011*: Regulations 160, 161, 162, 168, 177, 183
- *Family Assistance Legislation Amendment (Child Care Rebate) Act 2011*
- *National Quality Standard*, Quality Area 6: Collaborative Partnerships with Families and Communities
  - Standard 6.1: Respectful and supportive relationships with families are developed and maintained
  - Element 6.1.1: There is an effective enrolment and orientation process for families
- *Public Health and Wellbeing Amendment (No Jab, No Play) Regulations 2015*
- *Sex Discrimination Act 1984 (Cth)*, as amended 2015

### 4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the General Definitions section of this manual.

**Acceptable immunisation documentation**: documentation as defined by the *Immunisation Enrolment Toolkit for early childhood education and care services* as acceptable evidence that a child is fully vaccinated for their age, or is on a recognised catch-up schedule if their child has fallen behind their vaccinations; or has a medical reason not to be vaccinated; or has been assessed as being eligible for a 16 week grace period.

**Approved care**: Care given by a service provider that has been approved by the Family Assistance Office to receive Child Care Benefit payments on behalf of eligible families. Most long day care, family day care, before-and-after school care, vacation care, some occasional care and some in-home care childcare services are approved providers. Details are available at: [www.familyassist.gov.au/payments/family-assistance-payments/child-care-benefit/](http://www.familyassist.gov.au/payments/family-assistance-payments/child-care-benefit/)

**Authorised nominee**: (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child’s enrolment form.
Child Care Benefit (CCB): A Commonwealth Government payment to help families who use either approved or registered childcare services. All eligible families can receive some Child Care Benefit. Details are available at: www.familyassist.gov.au/payments/family-assistance-payments/child-care-benefit/

Deferral: When a child does not attend in the year when they are eligible for a funded kindergarten place, or is officially withdrawn from a service prior to the April data collection. DET considers that this child has not accessed a year of funded kindergarten and is therefore eligible for DET funding in the following year.

Eligible child: A child attending an early childhood education and care service as described in the Immunisation enrolment toolkit for early childhood education and care services or a child in a kindergarten program who meets the requirements of both The Kindergarten Guide and the Immunisation enrolment toolkit for early childhood education and care services.

Enrolment record: The collection of documents which contains information on each child as required under the National Regulations (Regulations 160, 161, 162) including the enrolment form; details of any court orders; and immunisation documentation as specified in the Immunisation Enrolment Toolkit for early childhood education and care services. This information is kept confidential by the service.

Fee: A charge for a place within a program at the service.

5. SOURCES AND RELATED POLICIES

Sources

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. Each service will need to consider a risk assessment on an individual basis to determine if a person under the age of 18 is able to be an authorised nominee and, if so, what constitutes the minimum acceptable age at that service.

Eligibility and priority of access criteria for the funded kindergarten program

The following children are eligible for attendance in the funded kindergarten program:

- children who have been granted approval to receive funding for a second year of kindergarten in accordance with The Kindergarten Guide available at: http://www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx
- children who were eligible to attend in the previous year, but:
  - deferred
- children who turn four years of age by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET (refer to The Kindergarten Guide, available at: http://www.education.vic.gov.au/childhood/providers/funding/Pages/default.aspx
- children who are younger than the eligible age, but whose parents/guardians have submitted an early age entry request for their child to attend school the following year. This written request is to be directed to the regional office of DET, or the non-government school the child will be attending. A copy of the approval must be attached to the kindergarten application. Parents/guardians should note that very few requests are approved by DET. If the child attends kindergarten early, but does not proceed to school in the following year, they will be unable to access a second year of kindergarten unless they are deemed eligible by DET for having recognised developmental needs
- three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection may be eligible for the Early Start Kindergarten program. This scheme provides funding to enable children to attend a kindergarten program that is planned and delivered by an early childhood teacher for a specific number of hours. Details are available at: www.education.vic.gov.au/about/programs/learningdev/pages/earlystartkinder.aspx

When demand exceeds availability, the Approved Provider will refer to the service’s values, philosophy and Inclusion and Equity Policy to determine the priority of access. This will include:

- children who have received funding for a second year of kindergarten
- children who were eligible to attend in the previous year but deferred.

Other considerations may include date of application, siblings already enrolled at the service, attendance in the three-year-old program and local community zoning.

If participating in a central enrolment scheme, the priority of access for that scheme will be implemented. Childcare services providing approved care (refer to Definitions) must abide by the Family Assistance Legislation Amendment (Child Care Rebate) Act 2011 (refer to Legislation and standards) and the Commonwealth Government’s Priority for allocating places in child care services (refer to Sources).

Eligibility and access criteria for the three-year-old kindergarten program

Children are eligible for attendance in the three-year-old kindergarten program provided they have turned three prior to commencement.

Children will only be able to attend a second year of three-year-old kindergarten in exceptional circumstances (after consideration by the Approved Provider) or when all eligible children on the waiting list have been offered a place.

The Approved Provider must determine eligibility and access criteria applicable to the service. Considerations may include:

- children recommended by an educator for an additional year in the three-year-old program
• date of application – for example, families can enrol for the program when their child has turned two, or applications for the three-year-old program can open at the start of Term 1 in the year prior to commencement
• siblings attending the service
• places allocated by the service for transient families e.g. RAAF, seasonal workers and tourism workers
• local community zoning.

Allocation within groups
Where the service provides more than one funded kindergarten program or three-year-old program, places within the programs will be allocated to groups by the service in line with the eligibility and priority of access criteria.
Considerations may include:
Needs of individual children
Needs of the group
Parental wishes.
1. Application for a place

Enrolment applications process will be determined by the relevant Kindergarten Central Enrolment scheme.

Enrolment application forms are available from the service and are provided to the parents/guardians together with information about the requirements of the law for enrolment, locating and accessing immunisation services, obtaining acceptable immunisation documentation and a copy of the Enrolment and Orientation Policy.

TRY Children’s Services will determine the date(s) by which applications must be received for offer of places in the three-year-old and the funded kindergarten program.

A separate application form must be completed for each child, and for each proposed year of attendance at the service.

To facilitate the inclusion of all children into the program, the enrolment application form should clearly identify any additional or specific needs of the child (refer to Inclusion and Equity Policy).

Parents/guardians of children applying for a second year of funded kindergarten or currently attending a three-year-old program must also submit an enrolment application form for the following year.

A copy of the child’s birth certificate and proof of address must be submitted with all applications.

All enrolment application forms must be accompanied by an enrolment application fee in line with TRY Children’s Services Fees Policy. This fee is to cover administrative costs associated with the processing of a child’s enrolment application and is not refundable.

Completed enrolment application forms are to be forwarded to the person responsible for the enrolment process at the service, at

TRY Children’s Services,
Building 2, Suite 3, 88 Ricketts Road,
Mount Waverley 3149.

Access to completed enrolment application forms will be restricted to the person responsible for the enrolment process, the Approved Provider, Nominated Supervisor and educators at the service, unless otherwise specified by the Approved Provider.

Applications will be entered on the waiting list using the eligibility and priority of access criteria.

Applications received after the above dates set by TRY Children’s Services will be considered if there are available places, and after all other applicants have been offered a place, in line with the eligibility and priority of access criteria of TRY Children’s Services.

Offer of places

Tentative places will be offered in writing to applicants in accordance with the eligibility and priority of access criteria of the service making clear that confirmation of places is not final until immunisation documentation has been received, assessed and found acceptable.

TRY Children’s Services requires parents/guardians who have been offered a tentative place to provide acceptable immunisation documentation for assessment two months prior to the child first attending the service in order that a confirmed place can be offered.

The documentation is assessed as outlined in the Immunisation enrolment toolkit for early childhood education and care services by the person responsible for the enrolment process on behalf of the Approved Provider. The Key Dates work form in the Immunisation enrolment toolkit for early childhood education and care services is used to determine the date at which immunisations must be up to date. The toolkit also provides guidance on assessing immunisation documentation to
determine if a child is up to date or qualifies for an exemption. The following documents and resources can be accessed from https://www2.health.vic.gov.au:

The *Immunisation enrolment toolkit for early childhood education and care services* (search ‘Immunisation enrolment toolkit’)

The Key Dates work form (search ‘Key Dates work form’)

Hard copies of the immunisation resources (search ‘immunisation resources order form’)

The acceptable outcomes of the assessment for offering a confirmed place are:

- That the next due vaccine for the child on the ACIR Immunisation History Statement or the Immunisation Status certificate is within the acceptable timeframe for an enrolment, or;
- That the child is on a recognised catch-up schedule if they have fallen behind with their vaccinations, or;
- That the child has a medical reason not to be vaccinated, or,
- That the child has been assessed by TRY Children’s Services as being eligible for a 16 week grace period

The person responsible for the enrolment process advises the parent/guardian in writing whether a confirmed place is offered and the enrolment can proceed.

Parents/guardians who do not have acceptable immunisation documentation cannot be offered a place and are referred to Australian Childhood Immunisation Register or to an immunisation provider (refer to Appendix 4 – Letter for parents/guardians who do not have acceptable immunisation documentation).

Offer of places in the three-year-old program/s and the funded kindergarten program will be made at the same time.

Parents/guardians who do not wish to accept the offer of a tentative or confirmed place, or intend to withdraw their enrolment, are requested to notify the Approved Provider, or the person responsible for managing the enrolment process at the service, in writing as soon as possible.

Refer to the TRY Children’s Services Fee Policy for details regarding payment of fees. TRY’s preferred method of payment is EziDebit.

An enrolment form and other relevant information will be provided by TRY Children’s Services to the parent/guardian after a confirmed place has been accepted and the fee has been paid.

Note: Places will not be allocated to children until any outstanding fees owed to the service by the family is paid, or a payment plan is agreed to between the family and the service (refer to *Fees Policy*).

Dear [insert name]
Re: Enrolment at [Service Name] for [insert year]

I am contacting you regarding your tentative place for [insert child’s name] at [Service Name] in the [insert 3 year old or 4 year old program] in [insert year].

Under the Public Health and Wellbeing Act 2008 (Vic), as amended May 2016 early childhood education and care services cannot enrol a child unless the parent/guardian has provided acceptable immunisation documentation.

Acceptable immunisation documentation includes evidence that your child:

- is fully vaccinated for their age
- is on a recognised catch-up schedule, which must be provided prior to commencement
- has a medical reason not to be vaccinated
- has been assessed by our service as being eligible for a 16 week grace period.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, we are unable to confirm a place at our service for [insert year] and your child’s name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- [insert details of local government immunisation service]
- National Immunisation Information Line Tel. 1800 671 811
- Australian Childhood Immunisation Register Tel 1800 653 809

Should you wish to re-apply for a place for [insert child’s name], we are happy to accept a new enrolment application accompanied by acceptable immunisation documentation. The new application would be considered in line with [Service Name]’s Enrolment and Orientation policy.

Yours sincerely
